Please remember that today is the last day of the Autumn Term. The Spring Term starts on Thursday 5th January.

EYFS—A Bundle of Joy

It was 2019 when we were able to hold our last nativity with our youngest children and it was brilliant to be able to welcome back this festive treat from our Foundation children.

They were magnificent, giving their all over three performances and ensuring that we were all mesmerised by their efforts and enthusiasm.

It's not easy to sing and walk around the hall at the same time but the children carried it off with aplomb—also managing some regal waves as they went past.

Really well done to everyone.

Year 2—Our Happy Christmas

Whilst our EYFS children were performing at the AF site, our Year 2 children were giving it their all at the Town site.

These were very special performances as it was our Year 2 children who were unable to have a Nativity in 2020.

You would not have known that the children hadn't ever performed before because they were amazing—singing their hearts out and giving us a very festive and "a very Happy Christmas".

Really well done Year 2, it was very special and well worth the wait.

Christmas Dinners

As well as all things Performances last week—we also had our Christmas Dinners at both AF and T. A festive feast was served up by Mrs.

Burke, Mrs. Blackery and our Catering Team. To add to the excitement, our PTA had also bought every child a cracker—so poor jokes a plenty resonated around both halls.

Rights Respecting Schools

Article 17 (access to information from the media) Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand. Governments must help protect children from materials that could harm them.

Foxburrow Grange

Oysters class made personalised Christmas cards for all the residents at Foxburrow Grange, one of our local residential care homes and then seven children went to deliver. The children chatted to the residents and even showed them how to perform Dominik the Donkey!

Hol Ho! Ho!

Our EYFS and Year 1 children received a special visit from Father Christmas this morning—after he'd stopped by the office to give Mrs. Taylor a hug.

Our PTA had arranged for Father Christmas to come in and also ensured that every child in the school got some Christmas chocolate—to whet the appetite in preparation for Christmas Day. Father Christmas was visiting some other school's so wasn't able to see our older children but did say he'd see you Christmas Eve—if you'd been good enough?!

National British Kidney Foundation

If you were up at AF site during our Parents Evening last week, you will have seen a group of Year 6 girls selling their art work.

They were making money for the National British Kidney Foundation. Well done Vada, Millie, Ayla, Isabelle and Talisa. In total, they raised £24.51.

PLEASE KEEP READING WITH YOUR CHILDREN OVER THE CHRISTMAS BREAK AND LOG IT ON Boom Reader (Formerly GoRead).

Winter Reading Challenge

Running from Saturday 26 November 2022 to Saturday 28 January 2023, the challenge will follow the journey of Lyra, the plucky penguin as she learns how others celebrate the winter months. Made up of six tasks, there are prizes to all who complete the challenge, as well as a special prize to those that finish early! For more information, visit the Essex Libraries website.

Tickled Pink—Aladdin

As if everything else wasn't enough last week—our PTA had also arranged for a Pantomime for the children on Monday.

The performing troupe came in to regale the children with Aladdin - Oh yes they did!

As an added bonus, some of our children were also involved in the performances, making it that extra bit special.

Year 1 Christmas Songs

Sadly, I have no photo but most definitely our Year 1 children sang their hearts out yesterday afternoon to a packed hall at AF.

A Christmas music feast. Really well done Year 1 children.

Poppy Appeal

In total at both AF and T, £484.31 was collected on behalf of the Royal British Legion.

Six Core Strengths

No 3—Affiliation: Joining in

Affiliation is the glue for healthy human functioning. It allows us to form and maintain relationships with others and to create something stronger, more adaptive and more creative than the individual.

Why it is important: human beings are social creatures. We are biologically designed to live, grow and work in groups. A family is a child's first and important group, glued together by the strong emotional bonds of attachment. But most other groups that children join, such as a pre-school class, children in the community and clubs are based on circumstances or common interests. It is here that they will have thousands of brief emotional and social experiences that will help shape their development.
