Purple Pinkie

Many thanks for all your efforts and enthusiasm for our 'Purple Pinkie' day in support of the Rotary Club and 'End Polio Now.'

As well as the school being awash with Pink and Purple, you also raised £541.90.

PTA Children's Discos

Thank you to all parents who have already sent a slip in with payment for the school disco's which are taking place tonight.

Both offices will be accepting payments and slips up to the end of the school day on Friday. There will also be a chance to pay for the disco at the door at the start of each disco. *If you need to pay at the door, we will ask you to wait until the end of the queue so it does not hold up the children at the start of the disco.*

At the start of the discos, please bring your child/children to the front of Abbey Field Site and entry will be through the main doors straight into the main hall.

We will ask you to keep your child's coat and bring it back with you at the end of the disco.

At the end of the disco, pick up will be at the rear of Abbey Field Site from the small hall. Please enter the playground via the side gate. Children will be given a snack as they leave and drinks will be available during the disco.

Times of the discos are as follows:

- Years 1 and 2 - 4.30 to 5.15 p.m.
- Years 3 and 4 - 5.30 to 6.15 p.m.
- Years 5 and 6 - 6.30 to 7.15 p.m.

Danbury

We will hold a final information Meeting for this year's Year 4 trip to Danbury on Thursday 14th March @ 5.00p.m. at the AF site.

Thank You Alice

A special 'Purple Pinkie' mention to Alice—who donated £10 of her own money on Purple Pinkie Day.

World Book Day

Please don't forget that next Thursday (7th March) is World Book Day and children can come to school dressed as any book character they like.

The best dressed character in each Year Group will be able to choose a book from our book fair the following week as their prize.

During the day, each Year Group will focus on a different author—and each class, a different book and children will carousel round each of their different year group classes for 3 different activities.

Rights Respecting Schools

Article 17 (access to information from the media) Every child has the right to reliable information from a variety of sources, and governments should encourage the media to provide information that children can understand. Governments must help protect children from materials that could harm them.

Well Done Lottie

Really well done to Lottie who was so inspired by the skittle experiment that she did at school as part of 'Women in Science day' that she had to go home, insist on some more skittles and do it all again!

Skips Safety Net Keeping children safe online

A Parent's Guide to Fake News

Don't believe everything you see online!
Young people can very easily be dragged into things without parental guidance and support.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
