Young Carers

St Johns Green Primary School is committed to developing provision for young carers and their families. We will widen and review our provision for young carers and better meet young carers' needs with a view to ultimately achieving best practice.

How we will achieve this:

- The whole school is committed to meeting the needs of young carers so that they can attend and enjoy school in the same way as other pupil/students and achieve their potential.
- We have appointed two designated Young Carers' School Leads, Tina Bourne and Tracey Clarke, with responsibility for young carers and their families. Pupils and families are aware of the identities of the leads and how to contact them to access support.
- St Johns Green Primary School will actively seek feedback and ideas from young carers and their families to shape and improve support.
- The school has an effective referral system and strong partnership in place with relevant external agencies, including referral to Young Carer agencies providing key workers who will work with young carers and families.

We will strive to achieve best practice for students and families in our school in order to provide them with the best chance of success in their future.
